Reclaimed Teak, a delight for the senses

Warm tones & singular beauty make Teak the **heart & center**. Teak's **durability** gives it a **permanence** we are all looking for. TerraMai is your Reclaimed Teak source for applications inside and out. Our teak is **rich in story** and available to you in a variety of standard and custom finishes. Beyond flooring, paneling and decking materials, our team is deeply experienced in **fabricating custom products** whether it be benches, stair treads, screens, columns, table tops, and hand rails.
