

# Weathered & Aged to Perfection

## Lost Coast Redwood - Weathered

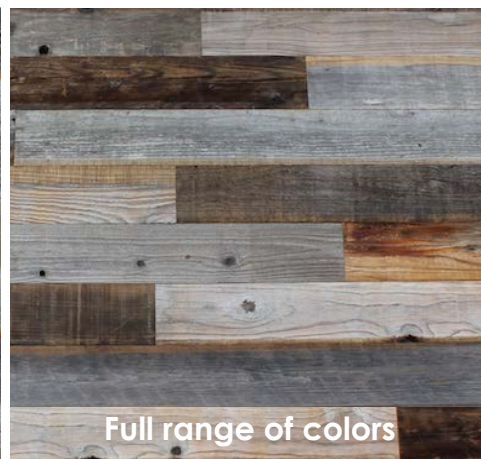

**Wood** is an organic material with no two pieces being exactly alike. Add to it the characteristics of **Reclaimed Redwood** – weathering, fastener holes, seasoning checks – and you get a **vibrant, beautiful design tool**. The surface has a naturally **distressed patina** from years of weathering. Reclaimed from structures from the San Francisco Bay area; this wood has a story to tell! And it does what wood does best; sound dampen, mood elevate and stress relieve while delivering an **aesthetic** that appeals – all at a **fantastic price**.

Pricing: 500 to 9,999 sq ft: \$7.95 – 3", 4" or 5" wide. \$Call: 10,000+ sq ft. Selected for color +\$2. Wider width of 7" +\$1.
